## **DNR Accident Report Reinforces Importance Of Club-Sponsored ATV Safety Classes (123 last year!)**

ATV clubs across Minnesota are planning their schedules for 2020, including dates for their ATV Safety Training Classes. A dozen classes are already posted on the Minnesota DNR website. The DNR recently released its 2019 report of ATV accidents and fatalities. The numbers reinforce the importance of the work ATV clubs and their members put into safety training. Last year, 123 classes helped 2,735 youth ages 11 to 15 obtain their ATV Certificates, and 2,626 adults also were certified.

Bruce Lawrence, Recreational Vehicle Coordinator with the DNR Division of Enforcement, Safety Training and Education, provided ATVAM with several reports and state maps.

### **Facts from the "2019 Summary of Fatal ATV/OHM/ORV Accidents":**

-There were 11 ATV fatalities: 9 Class 1 and 2 Class 2. That's down from a decade-high 21 in 2018, and about average for the 10 years preceding 2018.

-Of the 11 fatalities: 9 were on a road right-of-way, 1 was on private land, 1 on a designated trail; 5 involved alcohol.

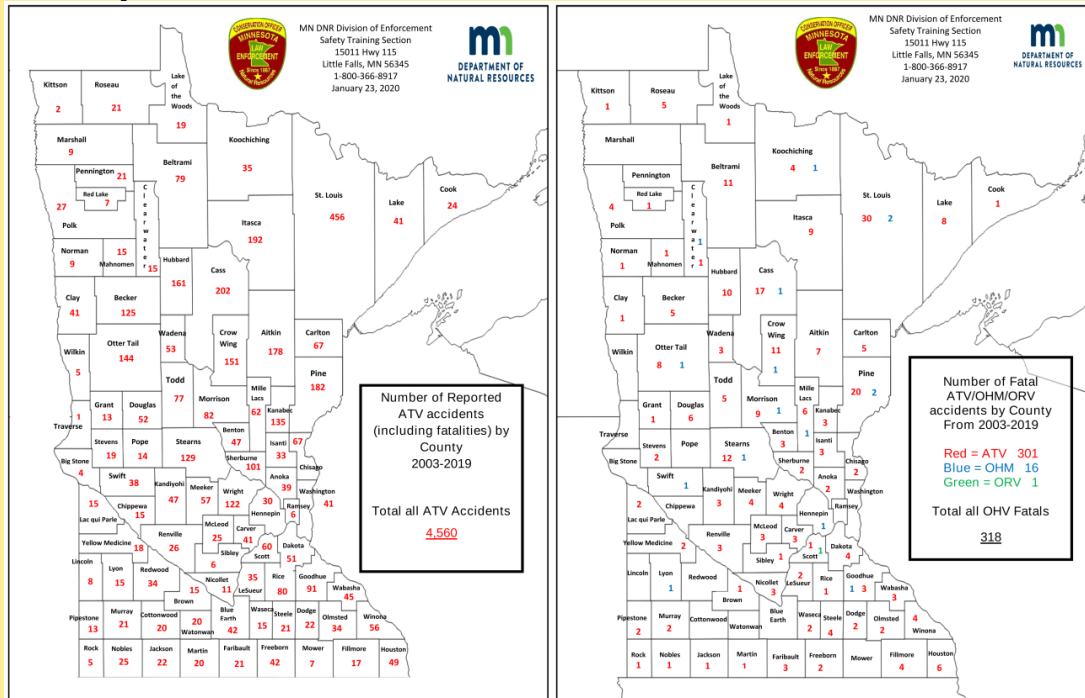

-Both Class 2 fatalities involved a SxS hitting a car. A number likely to go up as the popularity of SxSs increases, and they are legal on virtually all roads but State and Federal Highways.

-Of Class 1 fatalities, 4 involved hitting a fixed object, 3 rollovers, 1 thrown from machine, 1 machine-to-machine collision. The youngest was 11; the oldest was 76.

-Six drivers were outside the age requiring an ATV safety certificate. Of the 5 that were required to have a certificate, just 1 did.

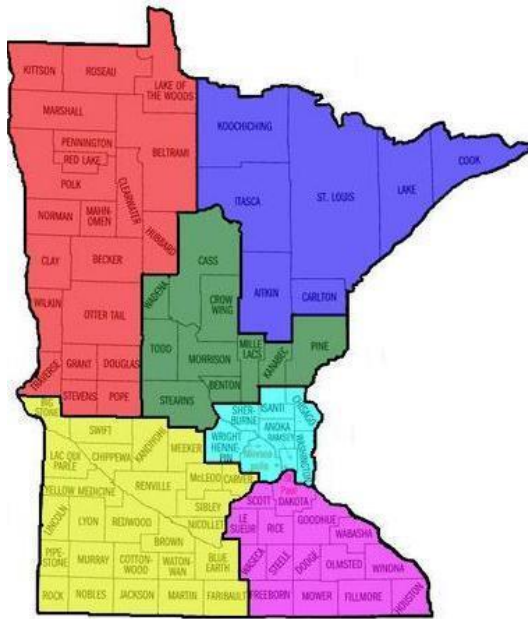

Lawrence also provided ATVAM with state maps showing "Number of Reported ATV Accidents (Including Fatalities) By County 2003-2019. The total was 4,560 ATV accidents for that period.

A second map shows "Number of Fatal ATV/OHM/ORV Accidents by County, From 2003-2019". The total of all OHV fatalities is 318 for that period; of that total, ATV accidents accounted for 301. (Drag maps to your computer screen to save, view larger to show your club)

If you'd like the full report sent to your club, send an email to Dave Halsey, ATVAM Communications Director, at: [d.halsey@atvam.org](mailto:d.halsey@atvam.org)

## Wanted: ATV Riders To Build On ATVAM's Momentum By Becoming Regional Directors

Are you motivated in promoting ATV Recreation in your region of the state?

Are you motivated in developing a Regional ATV Trail Master Plan?

Do you like working with ATV Clubs in your region to communicate the great things they are doing?

If this sounds like you, please consider putting some of your time and talents to work as an ATVAM Regional Director. ATVAM is seeking to add to its Regional Director ranks. For more information regarding the position of Regional Director please contact ATVAM at [atvamoffice@atvam.org](mailto:atvamoffice@atvam.org).

## Trail Ambassador Class Scheduled For February 29 In Southern Minnesota

*From Stacey Stich, Office Administrative Specialist*

*Safety and Education, Minnesota DNR*

There is a Trail Ambassador Training Class scheduled for Saturday, February 29, 2020, at Chesterwoods Park (in Eyota) for anyone who may need to attend or for those who are interested in looking into the program.

Class Date: Saturday February 29, 2020

## ATVAM Survey Shows Great Interest In New Clubs In Southern Minnesota

All Terrain Vehicle Association of Minnesota (ATVAM) created a poll. Published by David V Halsey [?] · January 29 at 3:35 PM · ⚙

PLEASE TAKE THIS SURVEY IF INTERESTED

A group of riders in southern Minnesota has contacted ATVAM and is interested in starting a new ATV Club. They want to find out how many people who live in Freeborn, Steele or Waseca County or nearby counties, and would join a new club and become active members to help build trails in the area. Please reply to this survey to help them gauge interest. And share it with your club and riding friends to help us spread the survey. Thanks!

84% Yes I'd join that club

16% Yes I'd help organize it ☺

This poll ends in 2 days Undo Vote 106 Votes

The response to a survey posted on the ATVAM Facebook page was outstanding. 106 people took the poll, indicating they are interested in organizing and/or joining a new ATV club in southern Minnesota, to help build more ATV trails. It's great to see this much interest, and from riders in a number of counties. ATVAM will help set up meetings in the future to keep this moving

forward. Keep an eye on the ATVAM Facebook page, and the ATVAM twice-monthly newsletter for more details.

**Remember: ATVAM doesn't build trails. ATV Clubs & Volunteers build trails.**

**Make it a family weekend at Treasure Island:  
bowling, water park, live entertainment & more.**

**Reminder to all ATVAM Clubs:**

ATVAM's State Board of Directors is made up of the Executive Board, Regional Directors, and Representatives from all ATVAM Clubs. Every ATVAM Club has a voice, through its designated ATVAM Representative, who are invited to participate in the monthly board calls and the in-person meetings at the annual Vision Conference and Fall

Ride & Rally. This is your club's opportunity to provide input and shape the direction and actions of the ATVAM Executive Board. If your Club's ATVAM Rep (usually the club president) isn't receiving the monthly e-mail invitations, let us know by sending an email to: [atvamoffice@atvam.org](mailto:atvamoffice@atvam.org). Thanks!

**Virginia Newspaper Reports  
 ATVAM State Convention  
 "Good News For The Region"**

*From Mesabi Daily News  
 By Jesse White, Outdoors Columnist*

The All-Terrain Vehicle Association of Minnesota (ATVAM) announced this month that the 2020 ATV Minnesota State Convention will be held Sept. 18-20 in the Ely, Babbitt, Embarrass and Tower areas.

It will be hosted by the Prospector ATV Club. This is great news for the entire region and it an excellent opportunity for club members involved to show off all the hard work that has been done up until this point to create the Prospector ATV loop, a trail system that when complete will connect all of the above

mentioned cities, and areas of Lake County, and cover some 250 miles. The convention will also be an economic boost in the arm for area businesses including hotels, convenience stores and eating and drinking establishments.

I know a thing or two about ATV guys and gals - the only thing they love to do more than ride and get muddy is hang out with their friends while enjoying some good cooking and some cold beverages.

I'm looking forward to this event and hoping to be able to take part in some way or another (whether officially as the outdoors guy or as a fun weekend getaway or both).

**Mille Lacs East Trail  
Takes Another Step Forward**

*From Aitkin County Newspaper, Feb 6, 2020*

The Aitkin County Board gave approval Jan. 28 to move forward with its portion of the Mille Lacs East All-Terrain Vehicle Trail. Ross Wagner, the Aitkin County Economic Development and Forest Industry Coordinator, presented on the topic. Aitkin County received a State of Minnesota bonding grant for \$1.5 million for the purpose of connecting the east side of Mille Lacs Lake to the existing

Northwoods ATV trail system.

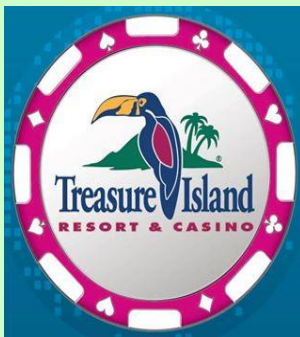

In order to access the bonding grant, the county board needed to pass a resolution stating that a local match of \$150,000 in non-state funds has been secured - in order, \$70,000 from the CIP, \$65,000 from the economic development reserve and \$15,000 from Mille Lacs Trails.

The resolution, as well as a request for proposals to begin the process of hiring an engineering firm for trail layout, design and construction, both passed. Wagner said that counters have been placed on sections of the Northwoods ATV Trail System, and in 2019, 11,974 riders were counted between May and August.

Aitkin County campground receipts have nearly tripled since the implementation of the trail system with three of four campgrounds having direct access. "The ATV trail is bringing people into our towns and helping out our communities," Wagner said. "There is no doubt the system is being used.

"We're bringing people into our county and helping our economy," he added. "It'll benefit the county for years and years, if not decades, to come."
