***Here We Go!***  
**The Ride & Rally Auction**  
**Is Online Now!**

***Place your bids during  
our major fundraiser of the year.  
Auction ends September 19***

It's live and online! The in-person, high-energy live auction is always a big hit at the annual ATVAM State Convention (Ride & Rally). This year, because of COVID, the auction is online.

Items large and small are now on eBay on a special ATVAM auction site and will be open to your bids for 10 days. Check out all the auction items, place your bids and monitor the action to make sure you win your favorite items. And keep checking back because more items will be added.

This special eBay auction is ATVAM's major fund-raiser of the year, so don't be afraid to put your best bid forward. And thanks for supporting ATVAM with your purchases.

Anyone can bid from anywhere up to the close of the auction for that particular item. You need not be present at the Ride & Rally to participate or to win, but you will need to log-in and sign up on eBay to be able to bid. **The auction opened for bids on September 9 and concludes at staggered times September 19.**

**There are two ways to reach the ATVAM auction on eBay. Both require you to sign up and log-in on eBay to bid on the auction items.**

**1) Tap on this link:**

**<https://www.ebay.com/sch/atvammn/m.html? nkw=& armrs=1& ipg=& from=>**

**Or ... 2) Go to eBay.com:** tap on "Advanced Search" in the upper right corner, then tap on "Find Stores" in the lower left corner, type in ATV\_Minnesota in the blank area and tap "Search", then tap on "ATV\_Minnesota", which takes you to all the items.

Tap "save this search" and you'll receive emails and alerts about your bids, if you have the leading bid, if someone has outbid you, and if yours was the winning bid. Each item also shows details on shipping cost, payment and approximate delivery.

Thanks for supporting ATVAM by going after some of these great outdoor and ATV-related auction items. **Have fun and happy bidding!**

## Breakfast Will Be Served

The Friday VIP Ride will now have the opportunity for participants to enjoy a pancake breakfast served outside. "People can come to the Timber Hall in Embarrass from 8 to 10 a.m. and enjoy a great breakfast, and we have plenty of picnic tables for people to sit at," said Prospector board member Gene Wright. The pancake breakfast is separate

from the VIP Ride and payment can be made at the Timber Hall Friday morning.

## Guides & Sweeps For Every Ride

Guides will be meeting next week to go over their preparations for the event. There will be a guide and a sweep for each ride, including the VIP Ride on Friday. "We want to make sure our guides know what is expected of them so they can be prepared," said Prospector Guide Leader Warren Johnson.

Participants in the event this year should watch for emails relating to what ride they are on, with further information coming out

before the event. "This is really the first time we've had a way to contact people ahead of time to let them know what to expect," said Wognum. "That may include what the lunch plans are or what the ride itself will entail."

## Raffle With \$1000 Top Prize

The Prospector Club is also holding a raffle in conjunction with the event. There is a top prize of \$1,000 cash along with four \$100 prizes that will be given away Saturday

night of the event. "Tickets are \$20 or five for \$100 and the more you buy the better chance you have to win," said Wognum. "We're limiting the number of tickets to 300 so be sure to get yours right away!" Tickets are available from Prospector Club members or send an email to [n.wognum@atvam.org](mailto:n.wognum@atvam.org) for more information on how to buy a ticket.

**Registration is open for the Ride and Rally through the [atvam.org](http://atvam.org) website. Be sure to get your registration in today!**

## The Two Most-Requested DNR OHV Booklets

### 2020 OHV Trail Atlas

The updated and long-awaited OHV Trail Atlas has been printed by the MN DNR and is available from the DNR Info Center. It's 80 pages, with maps for over 70 OHV trails, plus trail descriptions, directions to parking, and contact information for the OHV club or DNR staff that maintains them. Some clubs have reported receiving a case (120 atlases), ordered over the past year or more, for their members and for Trail Ambassadors to hand out to riders.

To order a copy, email [info.dnr@state.mn.us](mailto:info.dnr@state.mn.us) or call 651-296-6157. Individual State ATV Trail maps are also available on the Avenza map app; when downloaded, they show your GPS location on your smartphone or tablet while riding. Happy navigating!

### 2020 OHV Regulations book

It will be available sometime this month, which is good because there are just 50 days left in the riding season. COVID has created delays on many fronts. When we sent an email to the DNR Info Center requesting a box for our ATV club, their reply was:

*"The 2020 OHV Regulations books are still at the printer, but they should be coming in sometime this month. I have added you to the waitlist for a full box, so we will send it to you as soon as they are available."*

## ...And Buy New Gear At Ride & Rally (Available online after the State Convention)

Fall is a great time to ride. And just in time is a full line of new riding gear from ATV Minnesota. Shown here is a sample of what's coming. All the new gear will be on display and available at the ATVAM State Convention (Ride & Rally) in Ely on September 18-20. It will also be available soon on the ATVAM website: [atvam.org](http://atvam.org)

## **COVID Forces Changes To Election Process At Ride & Rally**

*From the ATVAM Bylaws Committee:*

Changes to this year's Ride and Rally event in response to COVID-19 have also resulted in some minor changes to the election process. With no banquet being held and all activities being held outdoors, the Board has decided the General Membership Meeting will be a brief and limited outdoor meeting for the purpose of conducting officer elections, as required by the ATVAM Bylaws.

## ATVAM BY-LAWS

### ARTICLE I - NAME AND ADDRESS

Section 1 This Association shall be known as the All-Terrain Vehicle Association of Minnesota, Inc. hereinafter referred to as ATVAM or ATV Minnesota.  
Amended 09/22/18.

The Bylaws Committee, with the consent of the Board, has made some adjustments to the election procedures for this year. These changes are:

1. Nominations from the general membership must be submitted in writing by September 1 as no nominations will be taken from the floor at the General Membership Meeting. (See article below announcing opening of nominations.)
2. Ballots will be provided at the Ride and Rally event registration booth to members who have registered and are in attendance at the event.
3. Members will place their completed ballots in a secured ballot box located at the main registration booth on Friday and Saturday.

These changes have been made in order to minimize the amount of time the general meeting needs to be in session, limit the handling of ballots and contact between meeting attendees, and allow for voting by those who choose not to attend the General Membership Meeting.

These minor, but necessary changes from the normal election procedures are in keeping with the spirit and intent of the ATVAM Bylaws and Election Procedures by giving all members an opportunity to nominate candidates for the open offices and to allow all members attending the event the opportunity to cast their ballots.

In the case of no nominations being received from the general membership, no ballots will be distributed as the current officers, all of which have been placed in nomination by the Nominating Committee, can be re-elected by the casting of a white ballot at the general meeting. Thanks for paying attention to and abiding by these changes at the annual convention.
