***Over 300 Members Find
Peak Fun & Fall Colors
At The 2020 ATV Minnesota***

State Convention

After

many months on the throttle, then braking hard for COVID, changing direction, and jumping over obstacles and requirements for safety and social distancing, the Prospector ATV Club and ATV Minnesota were successful in putting on an outstanding 2020 State Convention for their members.

The 3-day event was big on Ride and smaller than usual on Rally. But when the weekend arrived, over 320 members showed up and were treated to peaks of both fun and fall colors.

Watch for a full report in the next issue of the Minnesota OffRoad magazine. Here are just a few of the highlights from this year's gathering:

**Friday
VIP**

Ride: Roughly 180 riders came to the Timber Hall in Embarrass, enjoyed a pancake breakfast, then rode on new Prospector trail and bridges for 23 miles to Tower, where they were treated to a hot lunch on the shore of Lake Vermilion. A half dozen county, state and federal elected officials spoke to the group about the importance of motorized recreation and the economic impact it brings to the area. A ribbon-cutting ceremony was held in Ely for a new trailhead.

Congressman Pete Stauber

State Senator Tom Bakk

State Rep. Rob Ecklund

House Minority Leader Kurt Daudt

Ribbon-cutting ceremony for a new trailhead in Ely

Saturday Trail Rides: Over 320 ATV Minnesota members took to the trails in the Ely/Tower/Embarrass/Babbitt area. Some rides were more dusty than others. But the sun was shining and the fall colors were at their peak.

General Membership Meeting: Held outdoors at the Longbranch Event Center in Winton, just east of Ely, the meeting included the passing of the granite trophy from the Voyageur Country ATV club (last year's host) to the Prospector ATV Club. Lobbyist Tom Hackbarth gave a Legislative update. New gear was sold. Raffle winners named. And a bonfire rounded out the evening.

Sunday Board Meeting: The executive board and other board members met for a few hours to review the Ride & Rally, start planning for next year, and discuss a wide range of trail projects and future events and proposals.

Thanks to Warren Johnson, Steve Groteboer and all the great ride leaders!

Thank You! To all the clubs, businesses and organizations that sponsored the event. All the ATV Minnesota members who attended. The many legislators, local agency and Minnesota DNR people who rode or assisted on the rides. The many great ride leaders and sweepers. Everyone who donated cash and auction items, and those who bid on the eBay auction to help raise funds. And most of all, thanks to the Prospector ATV Club for putting in long hours building new trails for all of us to ride on, hosting and organizing this year's Ride & Rally under difficult circumstances, and agreeing to host it again next year so they can showcase even more new trails and include the always-fun banquet, live auction and other events that had to be cancelled this year.

 Thanks to the following who provided photos for this article: Heather Ann Larson, Rebecca Santeramo, Jet Newt and Lynn Keillor (MSPN).

ATVAM Realigns Organization From 6 to 4 Regions

(Clearing the way to better partner with DNR)

Please read the letter below from Perry May, ATVAM Director At Large, with important news about a change in the alignment of ATVAM Regions. It has been sent to the Executive Board, all ATVAM Regional Directors, our lobbyists, and the board members with clubs across the state who are invited to attend the monthly board conference call (primarily club presidents), and now here in the newsletter to ensure this news reaches all ATVAM members and member ATV clubs.

September 22, 2020

Dear ATV Minnesota Regional Directors and Executive Board Members,

I am writing you today to inform you of a change regarding our ATV MN regional organization. On Sunday September 20, 2020, during the ATVAM Board of Directors meeting, a motion was made and approved to reduce our state regions from the current six regions, to four regions. Combined with this reduction, it was also voted on to eliminate the regional numbering and name the regions according to geographic location.

As of today, MN ATV now has four regions, which are named Northwest, Northeast, Central, and Southern. These new regional boundaries match the current MN DNR administrative boundaries. I have attached a presentation which includes a map of the new regions.

As Director At Large, I recommended this change to the ATV MN Board of Directors. The top benefits for making this change are:

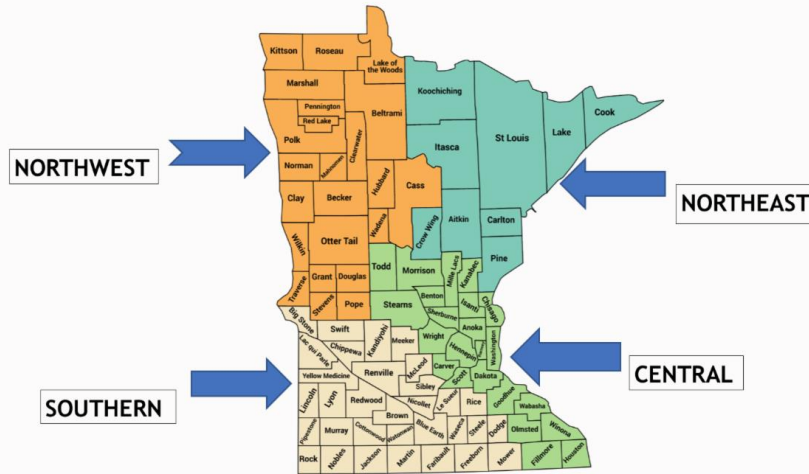

- Aligns ATV MN with the MN DNR Administrative Regions
- Aligns Clubs with the correct MN DNR Acquisition & Development (A&D) Specialist to help develop new trails
- Aligns Clubs with the proposed Regional Trail Master Plan Development
- Provides better alignment of potential members to Regional Clubs
- Allows ATV MN to help set and communicate regional trail priorities to MN DNR
- Provides better Director coverage to regions without representation
- Engages previous Region 6 Directors with more clubs and trail development

A negative for making this change is the large geographic boundaries for each region, and the change of scope and club representation for seven of the eighteen Directors, including Dave Halsey, Darrel Palmer, Ken Irish, Steve Ashbaugh, Brad VanderVegt, Josh Boeckman, and Scott Peterson. I wanted to present this recommended change at the Vision Conference in March, which was cancelled, and would have included a more thorough discussion for the change. I believe this is a good change for ATV MN, our Clubs, our Directors, and our Members. Please feel free to reach out to me with any questions. Moving forward we have much to do, to improve each of our regions, but I am confident in our vision forward.

Best Regards,

Perry May
Director-At-Large
