"Salute To ATV Clubs" Video Planned For Ride & Rally. You Can Help!

(From a letter sent last month to leaders of all ATV MN member clubs)
Happy New Year!
Thanks to all the ATV Minnesota members and member clubs that attended last year's State

Convention ("Ride & Rally") in Ely, and those that sponsored or donated to it. We are now planning the 2022 Ride & Rally, September 16-18 in Fifty Lakes. There will be many new features. One of them is a video on Friday evening, September 16th, following the general membership meeting. It will be a "Salute to ATV MN Clubs," thanking our member clubs for all they do across Minnesota.

For this short-story video to be interesting and fun, I need your help. I am asking each club to gather and send us information — including club brochures, logos, pictures, videos, interviews, etc. — that tell the story of your club, its

club rides, safety training, trail construction and maintenance, fundraising, Trail Ambassador program, community events, charity rides and other programs. We want to include as much of this information as possible in the video.

We have hired Blake Bogdanovich, a professional cinematographer and ATV MN member, to help create this short story. To have your club information included, we need to receive it by July 15, 2022. **You can start sending your club's images and videos now, from 2021 and earlier.** The sooner the better to avoid a flood of information at the last minute. **Please coordinate your submissions with your club leader to avoid duplication.**

Our goal is to have registration open by mid-February (It is now open!), and we will continue to provide more details on the Ride & Rally event page, found at atvmn.org under events.

When you are ready to send your information, please email or call Blake Bogdanovich at the contact information below. Blake will give you the details on how to easily upload your information to a Drop Box. Blake's email: atvmnmedia@icloud.com phone: 323-422-2000.

Thank you for helping us make the Ride & Rally short-story video a true salute to all our great ATV Minnesota clubs!

Regards,

Perry May, ATV MN State Director

President, Over the Hills Gang ATV Club p.may@atvam.org 612-919-5806

Trail counters show both economic impact and maintenance needs

From Over The Hills Gang ATV Club:

In 2019, Aitkin County began placing trail counters on nine different trails to gauge the quantity of ATV traffic on each one.

-Total counts in 2019 for the Northwoods Regional ATV Trails were 30,033. Total counts in 2021 were 81,966, up 273%. These counts help place a real number to what is being observed on the trails. They aid in the maintenance of trails and provide a good sense of the growing economic

impact in the area.

In 2021, Aitkin County placed 13 counters on various trails, and three of the counters provide a very real number to the impact of the new Emily Blind Lake ATV Trail. The EBL opened on September 15, 2021 and closed on November 1, 2021.

- Blind Lake Connector Numbers = August 604, September 1737, October 3599
- Hill City Connector Numbers = August 1371, September 2126, October 1788
- Soo Line North Swatara Numbers = August 805, September 1187, October 1304

We don't have counters on the Emily-Outing or Moose River Trails but, in all probability, the numbers increased accordingly as they are all part of the new loop that the EBL Trail created. Social media captured the chatter about riding the new EBL trail, our selfie station captured close to 100 pictures sent in by riders, parking lots were full, and many machines were observed at local businesses.
